

JABI Consulting

Trusted Experts in
Growing Your Business in
the Middle East

Hisham Jabi, Founder & CEO

Over \$120 Million
in new projects
won for our
clients in 2023

Jabi Consulting is a results-oriented small and minority-owned business based in Washington D.C., with offices across the Middle East. We help donors and implementing partners translate localization strategies into practice by leveraging our extensive regional network to empower local actors and communities.

Core Competencies

Capture & Business Development

- ◆ Cost-effective and successful proposal development
- ◆ Experts at forging lasting partnerships between our clients, donors, and local actors

Positive Youth Development (PYD), Employment, & Entrepreneurship

- ◆ Connecting youth to STEM and digital programming
- ◆ Providing access to workforce skills and financial literacy to help young entrepreneurs grow their small businesses

Monitoring, Evaluation & Learning

- ◆ Effective MEL frameworks that illustrate program impact
- ◆ We help our partners improve program implementation and make evidence-based decisions

Committed to Operational Excellence

- Ability to quickly mobilize resources in non-permissive environments according to USG regulations
- Swift and comprehensive capture, with a focus on engaging local stakeholders to develop impactful localization strategies
